Les Brown and his Band of Renown – single

791	Brown, Les	*La Bomba/Zip-A-Dee-Do-Dah*	*Columbia 4-42961 (CAN)1963*

Les Brown and his Band of Renown **-** *Leon is supposed to play piano on the a-side which in fact is "La Bamba" in high tempo with a great sax solo. No piano audible. The b-side has heavy guitar and lots of sax, but again no audible piano. Both tracks are from the album: "The Young Beat"*

Arr. by Shorty Rogers – Prod. Ed Kleban.
